

Dear Friends,

Each year, Self-Help International welcomes nearly 150 Cedar Valley residents to gather with their friends for an evening of entertainment. The funds raised from this event are used to alleviate hunger and to support entrepreneurial efforts that “help people help themselves.”

This year’s gala will be held **Thursday, April 18th at 6pm** at the Wartburg College Ballroom in Waverly. To make this event a success, we need the support of charitably-minded people like you. We hope you will join us by becoming a sponsor today.

Through support in 2023, farmers like Medardo in Nicaragua were able to access input loans and learn new farming methods like creating a seed bank to better feed their families and communities. Women such as Munaya in Ghana, who took part in the Teen Girls Club, grow up to have both the knowledge and resources to establish their business and provide for their families. Read more about their stories by scanning the QR codes.
